

Kaiser Permanente Northern California AuD Externship Program

AuD Externship Program Coordinator

Brenda Gonzalez

brenda.x1.gonzalez@kp.org

Organization and Program Overview

Organizational Structure

- At Kaiser Permanente, the way we deliver health care is different, it's called “integrated delivery.” We're a **health plan**, a **hospital system**, and a **medical group**, all working together—making it easier for us to give our members high-quality, coordinated, and affordable care that's convenient for them.
- Kaiser Permanente is made up of three separate, but closely cooperating, organizations:
 - Kaiser Foundation Health Plans
 - Kaiser Foundation Hospitals
 - The Permanente Medical Group*
 - Audiologists and externs are employed by TPMG in KP NCAL

KP Northern California Externship Program Overview

- Externship program started in 2008 (prior to that, CFY Program)
- We see all ages and all specialties throughout our region
- Typically, one extern position per site
- AuD interns from local programs also rotate through our clinics
- Extern will have a “home” location, but can pre-arrange observation/experiences at other sites

Position Details

- Kaiser Permanente's externship program supports the 12-month placement at full time hours (40 hours per week).
- Externship position is non-exempt without benefits.
- Relocation assistance is not offered for this position.
- We are offering \$49,920/year (\$24/hour) for the duration of your externship*
- Externs must have a Required Professional Experience – Audiology (RPE-A) license from the State of California by date of hire.
- Externs must have non-expired CPR BLS certification from the American Heart Association by the date of hire.
- Externs must be enrolled at a University with an active contract with KP NCAL.

*For 2025-2026 Externship Year

Many of our externs are offered a job opportunity when they graduate.

About 1/3 of our current work force completed their externship at Kaiser Permanente.

Universities with Active Contracts with KP NCAL

- Arizona State University
- AT Still University
- California State University, Los Angeles
- California State University, Northridge
- California State University, Sacramento
- California State University, San Diego
- California State University, San Jose
- Idaho State University
- Northwestern University
- Nova Southeastern University
- Ohio State
- Pacific University
- Rush University
- University of Arizona
- University of Colorado - Boulder
- University of Louisville
- University of Pittsburgh
- University of the Pacific
- University of Utah
- University of Washington
- University of Wisconsin, Stevens Point
- UT Austin
- UT Dallas
- Vanderbilt University
- Washington University School of Medicine
- Wayne State

If your University
is **not** on this list,
please have your
clinical
coordinator
contact
Brenda Gonzalez

Application Requirements

Application Requirements

1. **Cover Letter and Professional Photo**

- If you have an externship location preference(s), please indicate which one(s) in your Cover Letter.
- If you have F-1 OPT work authorization, please state this in your cover letter

2. **CV/Resume** - no more than 1-2 pages

3. **Three Letters of Reference** - Letters of recommendation may be emailed directly to Brenda from the reference or from the student with their other materials

- Letter(s) from current/past clinical preceptors are preferred

4. **Copy of current transcripts** (unofficial transcripts are accepted)

5. **Preferred Format: PDF** – 1 master file
